

**Tiffany Jo Allen**, age 12, is an accomplished country singer and guitar player. November 2003 she won the title "International Yodeling Champion". Tiffany Jo's CD, Take Me Back To Tucson, is the Borders Music Stores top selling local artist CD. She also has her own charity called "Children Helping Children". She takes \$2 from the sale of each CD to the Funtasticks Amusement Park and buys full day passes. Then, we hand deliver those passes to Sargent Kaylor at the Davis Monthan Air Force Base and they are distributed to kids who have parents deployed to the Middle East so they can go to Funtasticks for a fun, free afternoon. She is a favorite at numerous nursing homes, care centers and hospitals.

In addition, Tiffany Jo has done over 40 shows this year. Recently she was performing at the Ramada Hotel in Laughlin and someone who knows Mel Tillis asked her to come and meet him. Once Mr. Tillis heard her, he asked her to perform during his concert. When that show was over he invited her to come back and do his Friday night concert. She, and her grandmother on back up guitar, also did the Friday night concert at the Maricopa County Fair.

Tiffany enjoys her music while at the same time she succeeds with her Calvert 7th grade curriculum plus a logic course and Bible study.
