### \*MAKE & TAKE WORKSHOPS - ROOM 160 - ADVANCE REGISTRATION REQUIRED

The hands-on Make-and-Take workshop series is a new option in 2018, something we are excited about trying this year to provide a fun experience that inspires parents with new ideas in your homeschool endeavors. Due to limited seating and space, advance registration was required and you must present your ticket at the door for entrance. We cannot permit additional guests to sit in and observe (no children, etc.) and strollers and wheeled carts cannot be brought into the room due to space limitations and for safety reasons.

As of 6/20 all but two classes are sold out. You can purchase tickets at on-site registration (first-come, first-served) for **Busy Bags for Preschoolers** (\$20 per person) and **101 Ways and Reasons to Use Journaling by Kim Kautzer** (no charge)

**ALL OTHER WORKSHOPS ARE OPEN SEATING**
